A Heartfelt Thank You to Our Heros!

All of us at Living Independently for Today & Tomorrow (LIFTT) extend our deepest gratitude to the incredible volunteers and businesses who came to our aid during the critical months of March, April, and May.

Your support has made all the difference, and we are forever grateful for the hand you extended to lift us up. We have proven that when a community comes together, there is no obstacle too great to overcome

Success Stories!

One way we measure how well LIFTT is fulfilling its mission is by assessing the success of consumers and peers in achieving their individual goals.

When a consumer or peer successfully completes a goal, their IL specialist, PCA facilitator, or Peer Program Coordinator writes up a "success story."

This month, we would like to introduce you to eight of our peers whose unique abilities have made them a valued part of the LIFTT team.

Nourishing Community: Breakfast & Lunch @LIFTT

We're excited to announce that LIFTT has launched a Breakfast and Lunch Program at our Billings office to provide nutritious meals to our consumers and dedicated team members. Every weekday, under the leadership of the talented Jocelyn Vincent and our kitchen crew, we serve about 50 meals between breakfast and lunch.

A big thank you to the folks at **Franz Bakery's** Billings location for their continuing contributions of bread and other items to this program since its start in April 2024. Their support has been instrumental in making this initiative a reality.

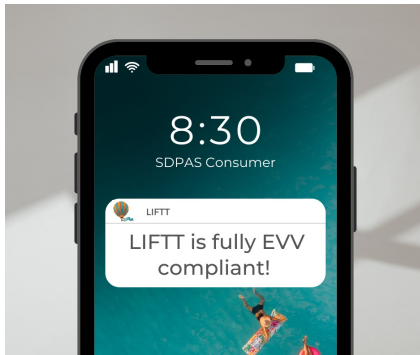

LIFTT could use your extra kitchen items!
